-
- When buying school shoes or runners for September, please buy shoes that are easy to put on and off, velcro is a lot handier for the children than laces.
 - **PLEASE** practice putting on and taking off shoes, jumpers and coats over the Summer. **Please label all items of clothing and stationery (including colours and pencils) clearly** as things get mixed up very easily, especially colours.
 - mynametags.ie make great quality name tags.
 - **Please pay the school contribution of €100 per family** either in cash or by online transfer to the school bank account in September.
